## **The Big Lunch - Sunday 1st June, 12.30**

On the village green, join in the national Big Lunch which is led by the Eden Project. It is a great excuse for all to meet up together, young and old alike. We will start at 12.30 and expect to finish around 3 pm. Please, everybody, come and join in, bring sandwiches or something more elaborate, whatever you fancy excepting BBQs which are not allowed on the green. Tea and coffee will be available. The first time we tried this, we were a little unfortunate with the rain, but hopefully Rev Dave's prayers will be more effective this time.

To add a bit of fun, we are going to bring out some games for the children and perhaps the child in the adult too. We have a good collection from the previous fayres, we just need some volunteers to assist. Please contact Heather Sherry on 07973 287299 or email at [HeatherSherry@tesco.net](mailto:HeatherSherry@tesco.net) as soon as you can and also let her know if you have a gazebo, just in case it rains of course.

Bring your own chairs or picnic blanket and, especially, a rubbish bag so all is left clean and tidy. This is a very informal gathering, so please remember that parents remain responsible for their children

## **Village Party on the Green – Saturday 21st June**

After a little juggling to avoid a clash with the Hospice Star Walk, the date has been fixed for our summer party on the Village Green for residents, their family and friends. We have not yet decided if we should have a theme but if you could help on the day or during the evening or feel you would be able to sell tickets to your neighbours or friends, please contact Nicky or Heather.

## **Horseman Sunday 12th October, confirmed**

Please note the change in time to 1.30 p.m. this year. Celebrating 100 years of the diocese of Chelmsford, Bishop Stephen Cottrell will be conducting the service alongside our Rev Dave Marshall.

## **Pemberton Barnes Trust**

My interest was awakened when listening to Dave Collins talk about the Pemberton roses in which he included some fascinating background information on the family. On the death of Emily, the last surviving sister, the Pemberton Barnes family's wealth was put into a trust. All I know so far is that it continues to benefit the residents of East London but I have located the trustees, have spoken to them briefly and am looking forward to finding out more.

**The Open Day to show the Pemberton rose collection at the Hospice is 22nd June**
