A Cracking Good Easter Egg Hunt

Regular participants will recall that some years the Easter Egg hunt has been enjoyed wearing shorts and sun cream. This year wellies were advisable and brollies held at the ready.

We were lucky that the showers held off as around 50 children, accompanied by parents, some assorted aunts, uncles and grandparents, set off excitedly to follow the expertly laid trail through the country park woodland.

This year a friendly giant squirrel and talking Easter Bunnies fascinated the younger children. Older children were eagerly competitive, aiming to race round the trail in record time, claiming mini-eggs en route. Every child received an Easter Egg on returning to a very warm welcome in the Church Hall. Church members provided excellent refreshments, with tables generously laden with hot cross buns and home baked goodies, all served with very friendly smiles.

Colourful and creative Easter Bonnets were worn for the competition won by Lily Beckinsale (Second from left, with the pink sleeves). Thanks to all those who made and wore Easter Bonnets. Residents, families and friends obviously enjoyed getting together for the hunt and chatting in the Church hall afterwards. A lively family and community event.

Many thanks to all those who supported the event and to those who organised laying out the trail and providing all the Easter Eggs and goodies. Many thanks also to the Church community for setting out the hall and providing all the refreshments. Thanks also to those who added to the delight by donning costumes this year.
